HP Professional Inkjet Paper 120 matt

For micro and small, home or office based businesses that are looking for efficient, in-house, cost-effective solutions to give their printed materials a professional look and feel.

Create your own sales and marketing materials.

- Save on small print runs with HP Professional Inkjet Paper 120 matt.

- Optimised print quality and reliability with HP inkjet printers.

- Engineered to impress. Ideal for presentations, handouts, proposals, reports and newsletters.

Professional look and feel.

- HP Professional Inkjet Paper 120 is a professional-weight paper engineered to make your most important presentations look impressive.

- It is heavier than plain paper with less bulk and stiffness than a brochure-weight paper.

- Get your customer's attention with a presentation that feels as impressive as it looks.

Bright white coating on both sides.

- This paper's premium inkjet coating produces more vibrant colours and sharper text than plain paper.

- It is coated on both sides for two-sided printing, with a high opacity for minimal show through.

- The smooth matt finish offers optimum readability and impact.

A professional-grade paper with a premium matt finish on both sides for vibrant colours and sharp text. HP Professional Inkjet Paper 120 is HP's preferred paper for presentations and other important business documents.
