# PHILIPS

Highlights

Smooth optical tracking

High definition optical tracking for smooth control

Comfortable ergonomic design

Comfortable ergonomic mouse design feels great

Reduced the click sound

Work in comfort with silent design that reduces over 90% of noise while keeping the same typing and clicking feel.

Stylish design

The design is adjusted to be the most suitable for ergonomics after rounds of user surveys, and also takes into account stylish, slim appearance, and space saving.

Plug and play

Plug it and forget it wireless for convenience

Pair it with up to 3 devices

Beautiful work-on-everything keyboard mouse combo with easy switching between three devices, including any computer, tablet and smartphone. Rewrite the rules of woking for one device, you can easily switch and go.

Ergonomic palm rest

The palm rest helps position your hands comfortably on the keyboard, and offers a comfortable place to rest your palms when you are not typing.
