

# HP Touch Monitor

## HP E24t G4 FHD Touch Monitor

*Skip the mouse and keyboard and interact with your content on-screen with integrated in-cell touch technology that's fast, responsive, and maintains the monitor's sleek, slim profile without distracting glare and fingerprint smudges.*

► **World's first touch monitor with always-on low-blue-light<sup>1</sup>**

### HANDS ON PRODUCTIVITY

#### Seamless touch screen technology.

Intuitively transition from your notebook touchscreen to the 23.8-inch diagonal Full HD touchscreen monitor for all of your tasks. Plus, wake up both the monitor and computer from sleep state with a single touch to the monitor screen.

#### Total comfort begins with HP Eye Ease.

Keep your eyes comfortable through the work day with HP Eye Ease, our first built-in, always-on blue light filter that has zero impact on your color accuracy and works without an OSD.

#### Personalize your view.

Never lose a moment of productivity with 4-way monitor adjustability, 3-sided micro-edge, flicker-free 23.8" diagonal screen, and Full HD resolution.

1. Based on HP's internal analysis of desktop touch monitors with always on low blue hardware solution as of August 2020
