

HP Professional Glossy Laser Photo Paper produces dazzling, image-intensive documents, marketing materials and impressive photos, using a glossy paper designed for laser printing. This ultra-smooth, heavy-weight paper is ideal for bold colour prints.

Ideal for businesses that print image-intensive documents, marketing materials and photos.

Produce one-sided or two-sided documents with no show-through with this high opacity, heavy weight paper. This ultra-smooth, glossy paper is ideal for your most image-intensive prints.

This bright white paper features a high-uniform gloss coating which delivers breathtakingly rich, vibrant colours. Produce professional-looking photos and photo-intensive documents from your colour laser printer or copier.

HP Professional Glossy Laser Photo Paper
